SERENE

Heavy Duty Tilt & Turn Window and Door

★★★  
AAAMSA  
A3 RATING  
★★★

A product of

**WISPECO**  
Aluminium

The Crealco Serene tilt and turn window and door system is the latest European aluminium system to be manufactured with high quality imported Roto hardware. This versatile product is characterised by broad, smooth and rounded edges, beautifully finished to create a modern and sophisticated look.

As part of its versatility the Serene can be designed as a hinged door or a casement window, but also as an innovative tilt and turn opening system. The distinctive inwards tilting features allows for natural airflow. An ideal product for high-end residential and modern commercial buildings.

## FEATURES

- Thermally efficient
- Designed to seal for efficient and effective weatherproofing
- Can be used with the Crealco Horizon adjustable shutters to control the natural light in your space
- Designed to keep your home cool during summer and retain heat in winter

## GLAZING

- Suitable for both single and double glazing options

## GASKETS & SEALS

- High quality gaskets and seals locally available
- Affordable and durable

## FINISH

- Available in a variety of popular architectural powder coating colour and finishes

## HARDWARE

- High quality imported hardware available on order
- Stylish handles to compliment the doors & windows are available
